HOW STUDENTS CAN EXHIBIT

Jimmie Simpson Park

Student artists share a 10' x 10' booth in Jimmie Simpson Park in a designated Student Artist area with one other student. Submission fee also includes a Student Membership to the Artists' Network.

Student artists in the park must have their own set-up. They are committed to exhibit in the RAW rain or shine. All student artists must remain in their allotted location for both days. We provide the area and the student artist is responsible for providing their own tent and display materials. Security is present so you can leave your tent up overnight at your own risk. Storage is not provided for artwork overnight. Parking is not provided.

Insurance: Artwork insurance is the responsibility of the artist. Failure to abide by the rules and guidelines of the RAW will result in expulsion on the RAW weekend and/or exclusion the following year.

Please note: Only full-time students under 25 years of age participating in a post-secondary arts program can participate and must have a photocopy of their Student ID with their submission.
